\*indicates new listing this week.

## Seniors

Congratulations to the many of you who have already earned scholarship money! Remember, As you receive notification awards, please bring them in so I can make a copy of them for graduation. Keep up the hard work as many of you are seeing it does pay off!

## Todd Valley Farms, Inc. Employment Opportunities

Todd Valley Farms, Inc. will be interviewing people very soon for seasonal greenhouse positions. They are going to offer a 4pm to 7pm (after school) shift that would start in the next couple of weeks. They will also have openings this summer for 8am to 4:30pm weekdays.

If you are interested in either or both of the positions, stop in and apply now. They are looking for both students and adults for the positions.

Responsibilities include helping in the greenhouses and planting in the propagation building.

Applications accepted from those 14 years or older, as long as those under 16 can find a ride to the farm.

## Planning on a career in health care?

Planning on a career in health care? Attend BryanLGH College of Health Sciences Exploration Day on Saturday, March 27 beginning at 9:00 a.m. and see program demonstrations. They offer programs in adult cardiac sonography, general sonography, invasive cardiovascular technology, nurse anesthesia, nursing, and vascular sonography.

RSVP at 800-742-7844 ext 18697

## Grades 7, 8, 9, and 11 Testing Days

The ITBS/ITED tests will be administered on the afternoon of Monday, March 15 and the morning of Tuesday, March 16 to grades 7, 9, and 11. Grade 8 will be taking the EXPLORE test on the morning of Tuesday, March 16. Please make sure your student gets plenty of rest so they can do their best! Students will be allowed to have home-room approved snacks during breaks while testing.

We have seen an upward trend in both the EXPLORE and PLAN tests in the last several years and have been performing above the national average. Let's make it another year with the ITBS/ITED and EXPLORE tests!
