

SUPERINTENDENT'S CONTRACT

THIS CONTRACT is PROPOSED by and between the Board of Education of the **Saunders County School District 78-0072, a/k/a Mead Public Schools**, hereinafter referred to as "the Board," and **P. J. Quinn**, hereinafter referred to as "the Superintendent."

WITNESSETH: That Board intends to enter into the proposed contract at the regular board of education meeting to be held on the 14th day of February 2022, the Board hereby agrees to employ the Superintendent, and the Superintendent hereby agrees to accept such employment, subject to the following terms and conditions:

1. Term of Contract. This PROPOSED Contract is for a term of two (2) years beginning on the 1st day of July, 2022, and expiring on the 30th day of June, 2024. References in this Contract to "contract year" shall mean the period of July 1 to June 30. Each year of this agreement shall consist of 260 days of service per year.

2. Salary. The annual salary for the 2022-2023 contract year shall be \$143,972.00.

The annual salary for the 2023-2024 contract year shall be set by the Board not later than June 30, 2022 and shall not be less than the salary for the 2022-2023 contract year in the absence of mutual agreement between the Board and the Superintendent. The annual salary for the 2023-2024 year shall be _____ as set by the Board on _____.

The annual salary shall be paid in equal installments in accordance with the policy of the Board governing payment of certificated employees of the District.

In the event that the Superintendent is elected to any other office or offices of the Board of Education or in connection with the District, other than an assignment for which the negotiated agreement with the teachers association provides a stipend (such as coaching), the Superintendent shall perform the duties of such other office or offices without remuneration other than that as provided in this Contract.

The Board reserves the right to adjust the annual salary during the term of this Contract, said salary adjustment, however, not to reduce the annual salary to any lesser amount than that as above stated. Any adjustment in salary made during the term of this Contract shall be in the form of an amendment and shall become a part of this Contract; provided, however, that in making any such salary adjustment, it shall not be considered that the Board has entered into a new Contract, nor shall the termination date of this Contract be thereby extended unless the Board, by specific action, shall expressly extend such termination date. In no event shall any such extension, together with the unexpired term of this Contract or any prior extension, be for a period in excess of three (3) years.

This Contract shall conform to the regulations governing deductions with reference to Withholding Tax, Social Security and School Employees' Retirement Act. Other deductions may be withheld as agreed to by the parties to this contract.

3. Benefits. As further consideration for the services to be performed by the Superintendent, it is agreed as follows:

A. Leave Benefits. Paid leave is available to the Superintendent when the following specific conditions are met: (1) the Superintendent is currently employed by the

District and (2) the paid leave day is taken on a day Superintendent would otherwise be expected to be at work.

1. Vacation. The Superintendent shall be allowed twenty (20) working days of vacation leave during each contract year. Vacation shall not be taken at times that would interfere with the Superintendent's attendance at regularly scheduled Board meetings or at times when the Superintendent's duties require the Superintendent's attendance at school (e.g., beginning and end periods of the school year).
2. Carry-over and Accumulation of Vacation Days. Vacation days may be used in the contract year in which it becomes available. Any unused vacation days awarded in the current contract year may be carried forward to the succeeding contract year except that said days must be used not later than June 30 of the succeeding contract year. The maximum vacation allotment that may be carried over shall be twenty (20) days which added to the ensuing year's allotment of twenty (20) days shall yield a maximum number of available vacation days of forty (40) at any time during the Superintendent's employment. Once this maximum of forty (40) available days is accumulated, no further vacation days will be granted for the ensuing contract year or years until said available vacation is less than the forty (40) day maximum and then only to the extent necessary to restore the total number of available vacation days to the maximum of forty (40) days. Upon ending employment, unused vacation days available in the final contract year will be paid at the effective daily rate of pay at the time each unused vacation day first became available.

Such leave may be used for personal illness of the Superintendent or immediate family member. For the purpose of this section, "immediate family" is defined as the Superintendent's spouse, child, parent, or other person living in the same home with the Superintendent. Sick leave may be used for other family members with board approval.
4. Carry-over and Accumulation of Sick Days. Unused sick leave may be carried over from one contract year to a succeeding contract year to a maximum of forty-five (45) days. The Superintendent's current accumulation of sick leave, up to the maximum of 45 days, carries over to this Superintendent Contract.
5. Holidays. The following days shall be holiday days and not working days: July 4th, Labor Day, Thanksgiving, Christmas Day (December 24 through December 25), New Year's Day (December 31 through January 1), Good Friday and Easter Monday (provided classes are not held on those days), and Memorial Day; provided that should an identified holiday fall on a weekend day, the Superintendent may elect to take either the first working day before or after the holiday as an off duty day. In addition to the named holidays listed, the Superintendent may observe all school calendar holidays enjoyed by other certificated staff but shall receive no additional remuneration or additional leave if a holiday granted the Superintendent by this contract is coincidental with a school calendar holiday.

6. Log. The Superintendent shall report to the Superintendent's secretary the use of vacation and sick leave and the Superintendent's secretary shall maintain a log of such use. Said log shall be open to inspection by the board.

In the event one day of leave is not sufficient, up to two (2) additional work days may be provided for the family members referenced in this paragraph; however, such additional days shall come from the Superintendent's sick leave or sick leave accumulation or the Superintendent's vacation leave as he may direct.

Bereavement Leave is not limited to five days or one day respectively in one year, but covers each death in the family which occurs during the year.

The Superintendent shall be excused to attend funeral services of relatives or friends other than those listed above and shall be permitted to utilize vacation leave for such attendance.

The Superintendent shall be excused to attend funeral services of individuals that have current or past relationships with the school district or staff of the school district or others that the Superintendent may feel that a representative of the district should attend. Such absences shall be reported to the board.

For the purposes of this section, "funeral" includes memorial services, remembrance services, rosary, or other activities related to the death of the individual.

- Personal Leave: Personal Leave benefits accorded to other professional employees shall not be awarded to the Superintendent; however, the Superintendent may utilize vacation leave for any absences that would qualify for personal leave for other certificated employees.

The Superintendent shall in all respects to diligently and faithfully perform the assigned duties to the best of the Superintendent's professional ability.
