**Hagan Scholarship**

The Hagan Scholarship Foundation was established to award scholarships to high achieving students in need of financial assistance in order to attend college. Up to 150 scholarships can be awarded each year. Last year one third of applicants were awarded scholarships. Each scholarship will help pay the unmet financial need of the recipient up to $6,000 per semester and is renewable for up to seven additional consecutive semesters if the recipient fulfills the renewal criteria.

Recipients must maintain a four year graduation schedule, maintain a 3.0 college GPA, provide an annual report, attend mandatory workshops and work a minimum of 240 hours prior to the start of each academic year of college. The free workshops and $10,000 Schwab account are integral parts of the Hagan Scholarship and are intended to help each recipient obtain a practical understanding of important life skills that may not be taught as part of the school curriculum.

To apply:

Applications are reviewed for completeness, compliance, and eligibility. Selected finalists will be interviewed. Finalists interviewed but not selected will receive $1000 to further their education.
