With an athletic pass offered by the Athletic Department. These passes can be used for all regular season home events. There are 21 separate varsity events on the home schedule this year.

The following chart shows the passes and cost savings that are available. The more games on the pass, the lower the cost per game. The Savings per Game and Total Savings figures are based on varsity admission prices.

Number of Games	Cost per Game	Total Cost	Savings per Game	Total Savings
10	\$4.50	\$45.00	\$0.50	\$5.00
21	\$4.00	\$84.00	\$1.00	\$21.00

Passes are available at varsity athletic contests and at the high school office.

Student passes are also available at \$40.00 each.
