FROM THE SUPERINTENDENT’S DESK

SCHOOL CLOSINGS AND RAIDER ALERTS/SCHOOL BEACON:
As winter weather approaches, parents are reminded of the various media locations used for announcing school closing decisions. This information will be reprinted monthly during the inclement weather season. As a matter of practicality, the first media source notified will be the district website followed by the Bank of Mead number followed by the School Beacon/Raider Alerts. Remaining media sources will be contacted as soon as possible. There have been several changes to the Raider Alerts program which is now called the School Beacon and is sponsored by the Bank of Mead. The program is a notification system the school uses to notify patrons of school closings, early dismissals, cancellations and other needed alerts.

You may receive notification from School Beacon asking you to verify and/or update your contact information if you have previously subscribed to the service. You can sign up for notification by clicking the School Beacon link at the school district website at http://www.meadpublicschools.org/

If you were previously signed up last year, you should log onto the site above and review your information to verify its accuracy and select which notifications you wish to receive. Your user name is your email address and whatever password you used to sign up for the original service. If you forgot your password, click on the Forgot Password link and they will send you a temporary password that you can change when you log onto the site.

In addition to advertising school closings through the School Beacon, cancellation notices will also be disseminated through the following media sources:

Bank of Mead – 624-2203. The automated answering service at the bank will be updated to provide weather related cancelations and closings.

  KMTV – Channel 3
  WOWT – Channel 6

  KETV – Channel 7
  KOLN/KGIN – Channel 10
  KFAB AM - 1110

FIRST SEMESTER TO END:
The first semester of the 2017-18 school year will end on Wednesday December 20. As of that date, students will have attended 85 days of classes. All buildings will be closed for the Nebraska School Activities required break from December 23-27. Classes for students will resume on Wednesday January 3.

Schedule Youth Practices Online as of December 1st

During basketball season, the elementary and high school gyms are used by a number of school and youth teams. Mead’s policy for gym use by youth teams states: *All practices or games must be scheduled on the office calendar in the building of the gym being used prior to each use in an attempt to avoid conflicts. Please remember that the school sponsored teams will have priority at all times and due to schedule changes, we may need to move your scheduled time or date.*

Currently, a paper calendar is located outside the elementary gym for sign up purposes. Coaches write their team and times on that calendar. While we do have a paper calendar in the high school office, it is to use for scheduling because the office is often locked during evening practices.

To make the reservation of gyms easier, we are taking a giant leap from our paper calendars to online calendars. Obviously, coaches will need internet access to access the calendars, but we are assuming that coaches have internet access. In case a coach does not have internet access, he or she can call Jessica at the elementary secretary’s office (402 624-6465) to have times scheduled.

There will be a calendar for both the elementary and high school gym. The calendars will operate on a first-come, first-served basis. Only the coach who scheduled a practice time can edit or delete those times. However, the school will have the ability to edit the calendar for any coach or scheduled activity. There is also an app for those who may use the calendars often. Search for “Teamup Calendar” to locate the app. The links will also be on the school website and Mead PTO Facebook page.

Here are a couple suggestion for gym use. One is to limit practices to a maximum of 1.5 hours. This way, at least two practices could occur at the elementary following junior high practice, which usually ends around 5:15. An early practice could go from 5:30-7:00, and a late practice could go from 7:00-8:30. If a team schedules the gym from 6:30-8:30, for example, it becomes difficult for other teams to practice. Because of the early-late schedule for high school boys and girls practices, any weeknight practices at the high school would start later than we would like as a school district. Another suggestion is to give some priority to sports that are in season. For example, if the high school is still playing volleyball, our youth volleyball teams should have some priority over other sports.

I copied Board of Education Policy 1330a below. This policy will be revised at the December Board meeting to make item one fit with the use of the online calendar.

**USE OF SCHOOL FACILITIES**

The Mead Public Schools will allow local youth teams and individual patrons to use the gymnasium based on the following agreement and payment of a $50 key deposit:

The adult who checks out this key will be responsible for the following:

1. All practices or games must be scheduled on the office calendar in the building of the gym being used prior to each use in an attempt to avoid conflicts. Please remember that the school sponsored teams will have priority at all times and due to schedule changes, we may need to move your scheduled time or date.
From the Counselor’s Desk

Juniors and Seniors  Federal law requires that all men living in the United States register with the Selective Service within 30 days of their 18th birthday. Now, at 17 years and 3 months, males can submit their registration information early at www.sss.gov or by filling out a form at the post office. The form takes just a few minutes. For seniors, there is also a question on the FAFSA form that will allow you to register. Selective service registration is required to be eligible for student aid, job training, and federal jobs.

Seniors  Have you sent in your college applications yet? If not, you need to get them completed by the semester break! To have a better chance at scholarships for new freshmen, you need to meet each school’s scholarship deadline. For some schools, that deadline is right around the corner!

Students in grades 10-12  who are planning on applying to the National Honor Society second semester need to make sure you have 20 hours of community service as well as a cumulative GPA of at least a 92%. If you need community service ideas or are looking for some opportunities, see Miss Moser. The holiday season is a great time to give your time and earn some of those community service hours.

Students  Do you have a current resume built? If not, go to www.educationquest.org and click on “Activities Resume.” It is a good idea to keep a running resume as early as ninth grade so you can update it as you are involved in more activities or as you earn more awards. Many of the scholarships that are due after January of senior year will require you to have a resume listing activities, awards, community service, employment, etc. and this is a great resource to help you! Just enter your email address and a password and it will save your resume for you and allow you to update it; you just need to login or update your resume once every nine months. If you don’t want to use EducationQuest, you may use any MS Word template as well.

Seniors: What to expect after you submit your FAFSA

The Early FAFSA opened October 1 so many of you have already completed and submitted your form. Here’s what happens next:

1. Expect a Student Aid Report (SAR). You’ll receive it via an email link if you provided an email address on your FAFSA. The SAR acknowledges that your FAFSA was received, and if you need to take further action to process your FAFSA. This is also what some scholarships agencies need as part of your application.

2. Make sure you applied for admission to colleges you listed on your FAFSA.

Colleges who receive your FAFSA results typically won’t send you a financial aid package until you’ve applied and have been accepted to the school.

3. Watch for verification requests. The college(s) you listed on your FAFSA might request verification of your FAFSA information. If so, send the required documents to the colleges’ financial aid office. They will either email you or you may need to check your online account “to-do lists” with the college.

4. Watch for financial aid award notifications. The colleges you applied to – and listed on your FAFSA – will send you a financial aid award notification detailing the types and amounts of aid they’re offering based on your financial need.

Haven’t completed your FAFSA yet?

No problem! You and a parent can complete the form at FAFSA.gov. Before you start, make sure you have the FSA ID for you and one for a parent that you created in October. You’ll need them to access and sign the FAFSA.

For free help with the FAFSA, watch the FAFSA Demo video on www.educationquest.org, use their free FAFSA tools, or call EducationQuest to make an appointment:

Book Fair a Big Success!

Book lovers of all ages jammed into the Scholastic Book Fair during the week of October 30 through November 2. All sorts of picture books, chapter books, and nonfiction books were available for purchase. All classes K – 6 visited the book fair at least once with their class, and many students also came on their own or with their parents. Favorite book titles included Dirt, Creepy Pair of Underwear, and Wish.

Due to the amount of sales we experienced this year, we were able to immediately acquire 122 new books for the Elementary and High School libraries, giving students a nice variety of new titles to choose from. Additional books will be purchased with proceeds from the book fair throughout the school year.

Lauren Miller, a Second Grader, was the lucky winner of the piñata drawing. Congratulations, Lauren and the Second Grade class!

Other winners of various book fair contests and drawings are as follows: Libby Ferguson, from 6th grade, guessed the closest number of oats in the guessing jar and won a free book from the Family Night drawing. Libby was only 5 away from the correct number! Way to go, Libby!

Bristol Dunaway and Cheyenne Heinen (K), Clayton Steinbach and Maddy Schaal (1st), Jersey Siske and Gracie Springbett (2nd), Leigha Divoll and Wyatt Engel (3rd), Daphne Nelson and Jacob Richards (4th), Mason Coyle and Justin Felty (5th), Emily Kuhr and Eva Georgoulopoulos (6th) all won a book from the Fair as well. Congratulations to all the contest and drawing winners, book reward recipients, and students who participated in the book fair.

A HUGE thank you goes out to all the volunteers, parents, students, and teachers and others who contributed time, work, and effort in making the book fair a success. Thank you to the community for your excellent support. We simply cannot have a successful Book Fair without all of you! A special thanks also goes to students and adults who donated money to the All For Books program. These donations allow us to buy additional books for the library.
